

# PORT CITIES AND MEGA-TRENDS: GLOCAL APPROACHES TO SUSTAINABLE TRANSITIONS

## EUKN Webinar for France

**Date:** 26 January 2022

**Time:** 13:30 - 16:45 CET

**Platform:** Zoom, further details to be provided

**Language:** simultaneous interpretation in English and French

**Organisers:** Secretariat of the European Urban Knowledge Network (EUKN) EGTC and the French National Agency for Territorial Cohesion (ANCT)

The webinar for France is part of the EUKN 'Thinking Beyond the Crisis' series. This webinar series explores the impact of the coronavirus outbreak on cities in EUKN member countries and the solutions implemented in response to it. Against this framework, the webinar will offer a meaningful platform to share experiences and reflect on the changing role of port cities as a result of global mega-trends and their local effects, including the recent yet far-reaching impacts of COVID-19.
