| 17.45 h | Wrap-up of the day                                                   |
| 18.45 h | Joint Dinner (optional)                                               
Venue: TAZ Kantine |
SESSION 1: MAPPING LOCAL TRANSFORMATION PATHWAYS
Facilitation by Urban Catalyst, adelphi & EUKN

Participants map their city’s local transformation pathways
Short presentation of respective results in growing exhibition
COFFEE BREAK
SESSION 2: REFLECTING INTERNATIONAL AGENDA FRAMEWORKS
Facilitation by Urban Catalyst, adelphi & EUKN

Discussion in two working groups with five participants each: What role do international agendas play at the local level and what did change when they were introduced?
Short presentation of respective results in growing exhibition
PRESENTATION: EU SUPPORT MECHANISMS FOR LOCALISING GLOBAL AND EUROPEAN AGENDAS
Franziska Schreiber and Barbara Burkel, adelphi

Overview of existing instruments and mechanisms at the EU level to support the implementation of global and European agendas at the local level
Short presentation followed by Q&A
COFFEE BREAK
SESSION 3: CONCEPTUALISING STRUCTURAL SUPPORT

Facilitation by Urban Catalyst, adelphi & EUKN

Brainstorming in working groups about the support mechanisms that cities need in order to better link local transformation pathways with international agendas
Short presentation of respective results in growing exhibition
WRAP-UP OF THE DAY

Moderation by Urban Catalyst

Short reflection of the day’s outcome and outlook for Day 2
JOINT DINNER (OPTIONAL)

Venue: taz Kantine, Friedrichstraße 21, 10969 Berlin
–> 200 m down the road
WELCOME AND INTRODUCTION; SHORT RECAP OF DAY 1

Tilman Buchholz, Federal Ministry of the Interior, Building and Community
& EUKN
PROGRAMME MONDAY 13.5.2019

13.30 h
Session 1: Mapping local transformation pathways

09.30 h
Presentation of the projects Global Urban Transformations and Possibilities and Strategies of the German EU Council Presidency 2020

09.45 h
Reflection of Day 1’s findings in open discussion with invited experts

11.00 h
Coffee break with snacks

11.30 h
Moderated discussion on linking local perspectives with urban agenda processes at the EU-level

12.30 h
Closing remarks

13.00 h
End of the meeting

3. European Dialogue
4. European Dialogue
Baseline Study

2018 2019 2020

Updated Leipzig Charter
Inputs to future Urban Agenda for the EU

Policy Lab on Urban Transformation Pathways in European Cities
13/14 May 2019, Impact Hub, Berlin
GOALS

- Prepare the German EU Council Presidency in 2020 in the field of urban development

- Review of key themes, principles and trends of integrated urban development in Europe – in terms of their future relevance for a new LEIPZIG CHARTER

- Background: The Charter’s principles are as relevant today as they were in 2007, but the framework conditions have changed
OUTCOMES

- Series of dialogue meetings in Germany and at European level 2018-2020
- Scientific baseline study 2018-2019 identifying key principles, themes, and trends of integrated urban development
- 4 Background Papers preparing the dialogue meetings
- Updated LEIPZIG CHARTER to be agreed at Informal Ministerial Meeting in Leipzig on 30 Nov/1 Dec 2020

Regular documentation and progress reports
GOALS

1. Understanding the relevance and implications of global and European agendas
2. Shed light on local transformation pathways and cities’ use of agendas
3. Identify framework conditions and support mechanisms
4. Recommendations for the update of the NUP as well as the Leipzig Charter and Urban Agenda for the EU
APPROACH

Understanding the relevance and implications of global and European agendas

- 2 Working Papers
- Expert Interviews

Shed light on local transformation pathways and cities’ use of agendas

- 2 Policy Labs with German cities
- 1 Policy Lab with European cities
- 5 Expert Discussions

Identify framework conditions and support mechanisms

Recommendations for NUP, Leipzig Charta and EU Urban Agenda

- Recommendation Paper for NUP
- Recommendation Paper for EU

Infographics
OUTCOMES

**Study**
on the relevance and implication of international and European agendas for Germany's National Urban Development Policy and local transformation

**Recommendation Paper**
for the revision of Germany's National Urban Development Policy

**Study**
on relevant EU processes and mapping of tools and support mechanisms for local level

**Recommendation Paper**
for update of Leipzig Charter and Urban Agenda for the EU

Regular documentation and progress reports

Infographics
REFLECTION OF DAY 1’S FINDINGS IN OPEN DISCUSSION WITH INVITED EXPERTS
Moderation: EUKN, Urban Catalyst

The participating cities will present the exhibition results of Day 1’s sessions 1 and 2: mapping cities’ transformation pathways and linking them to global and European agendas. Further invited experts will be asked to comment on the presented results.
COFFEE BREAK
MODERATED DISCUSSION: LINKING LOCAL PERSPECTIVES WITH URBAN AGENDA PROCESSES AT EU LEVEL

Moderation: EUKN

The entire group of cities and further experts will engage in a plenary discussion on ways forward in making global and European agendas work at the local level. Particular attention will be paid to the contributions of the new Leipzig Charter and the updated Urban Agenda for the EU in this regard.
