

Joint Policy Lab NL+PL

The EUKN Joint Policy Lab for the Netherlands and Poland will discuss key issues related to the application of Nature Based Solutions (NBS) in a Functional Urban Area (FUA) in the EU.

When: 25-26 September 2019
Where: Krzywy Komin Centrum Rozwoju Zawodowego (Crooked Chimney centre for Professional Development) ul. Dubois 33-35a 50-207 Wrocław
Language: English with Polish translation

The Joint Policy Lab is organised by the European Urban Knowledge Network (EUKN) EGTC. The target audience of this conference are local, national and European politicians, policy-makers and practitioners, civil society organisations, NGOs and researchers interested in NBS and FUA in the EU.

Registration for this conference is free of charge for a limited number of participants (40). Please register [here](#) before 20 September 2019.
